

## Career Wizard – Student Worksheet

### Career Wizard:

Do you know what you want to do after finishing school? The Career Wizard on [www.smartfuture.qld.gov.au](http://www.smartfuture.qld.gov.au) will help you work out what you like to do and what jobs you might enjoy. It's easy – all you need to do is fill out the questions on the website and see what results you get! When doing the questionnaire, pick the option that you prefer the most. There are no right and wrong answers, but you must answer every question.

Go to [www.smartfuture.qld.gov.au](http://www.smartfuture.qld.gov.au) and click on the Career Wizard

Go through and answer all the questions.

What are the top two interests (ones with the long bars) identified in your graph?

---

---

Have a look at the career descriptions and name two jobs that you might consider from the list of suggested careers:

---

---

Have a look at what courses or further study you might have to do to get a job in this field. Check out any career specialisations and who the industry contacts are. Make some notes below.

Notes:
